# Llyfryn Gwaith Cartref Blwyddyn 7 *Year 7 Homework Guidebook*

Tachwedd a Rhagfyr 2015  
November and December 2015

Yn y llyfryn hwn, am y tro cyntaf, ceisiwn roi arweiniad cryno i chi fel rhieni disgyblion blwyddyn 7 am y gwaith cartref a fydd yn cael ei osod yn ystod yr hanner tymor nesaf. Rwy'n credu, fel Pennaeth, fod gwaith cartref yn weithgaredd pwysig gan ymestyn y dysgu a ddigwydd yn y dosbarth. Yn ogystal fe ddysga hunan-ddisgyblaeth i ddisgyblion yn fuan yn eu gyrfa mewn ysgol uwchradd.

Arweiniad cyffredinol yn unig ydyw hwn ac fe ddylid cofio y gall y rhaglen waith cartref newid ychydig yn ystod y tymor. Ond gobeithiaf y bydd y cynnwys yn gymorth i chi fel rhieni wrth i chi gefnogi addysg eich plentyn. Mae'r bartneriaeth hon rhwng ysgol a rhieni yn hollbwysig i lwyddiant addysgol pob disgybl.

In this booklet, for the first time, we try to give you as parents a quick guide about the homework year 7 pupils will be given during the next half term. As a Headteacher I believe that homework is an important activity to enhance the learning that happens in the classroom. In addition it also teaches self - discipline to pupils early in their careers in secondary school. However it must be remembered that this is only a general guide and the homework programme can change a little during the term. But I hope that the booklet will help you as a parent as you support your child's education. This partnership between the school and parents is valuable, and all-important to the educational success of each pupil.
